## THE VERY HUNGRY CATERPILLAR

By Eric Carle

This is an example of a manuscript submission. It's not the real Eric Carle manuscript! His is much better than this 😊. Put your name, category and email in the top left corner. Then place the title in the middle of the page and your name underneath.

**Be sure to double space and indent each new paragraph.**

**In the header, add your Last Name/Title of Your Story in the upper left hand corner, and insert page numbers in the top right corner. Choose "Different First Page" so that the header does not appear on the first page.**

You must start typing at the actual first page of your story. If your story contains a prologue, you can choose to start there. You may also include a synopsis. **However, your submission cannot exceed 10 pages.**

Continue until the end of the ten pages, however do not stop mid sentence, even if that means you have to stop short at the bottom of the last page to finish the thought.

**Double space your writing and save your file as a .doc or .docx using this format: Name your file: name\_faculty\_category (i.e. Eric Carle\_Joyce Sweeney\_PB).**

**You must upload your submission within ONE WEEK (7 days) of registration.**

**The deadline to submit is September 15, 2025 at 11:59 pm. Any submission not following these instructions may be disqualified.**
